10 our time, I think. You register and get info by sending an email to nutrients@epa.gov
See you on the webinar. I would be happy to discuss potential uses of trading and other market based mechanisms in the Central Valley if you are interested. Adam L. also reached out and expressed interest in discussing with us. I believe he may be planning visit here soon; perhaps we could coordinate if you are interested. Thanks

Subject: Time of Webinar March 5th?

Hi David,
Has a time been picked for the Promoting Market-Based Mechanisms for Improving Water Quality webinar on March 5th?
Thanks,
Meredith
